Package Overview

The Prestige Spiral Horn & Plains Game Safari

The Ultimate Quality Trophy Collection

The Prestige Spiral Horn & Plains Game Safari is the premier hunting experience offered by Across Africa Tours & Safaris, created exclusively for the discerning trophy hunter who values exceptional quality over quantity.

This 16-day all-inclusive safari includes 14 full hunting days, providing the luxury of time to pursue six of Southern Africa's most sought-after trophy species. Unlike traditional hunting packages that are restricted by tight schedules, the Prestige Safari allows you to hunt at a relaxed pace, giving you and your Professional Hunter the opportunity to carefully evaluate trophy animals and wait for mature, world-class specimens.

Every day in the African bush is dedicated to delivering the finest hunting experience possible. With no pressure to rush from one species to the next, our experienced Professional Hunters can focus entirely on locating exceptional trophies that meet your expectations. If an animal does not meet our high standards, we simply continue the hunt until we find one that does.

The safari includes the legendary Greater Kudu, majestic Cape Eland, beautiful Nyala, elusive Limpopo Bushbuck, magnificent Sable Antelope, and the iconic Gemsbok (Oryx)-a collection of Africa's most prestigious plains game trophies in one unforgettable adventure.

Your all-inclusive package covers luxury full-board accommodation, gourmet meals, beverages, airport transfers, daily laundry service, professional hunting guidance, experienced trackers and skinners, hunting vehicles, licences and permits, trophy field preparation, and all applicable South African Government taxes and VAT. Every detail is carefully managed so that you can concentrate on what matters most enjoying an authentic African hunting experience.

More than just a hunting safari, the Prestige Spiral Horn & Plains Game Safari is an

investment in unforgettable memories, exceptional trophies, and the timeless traditions of ethical African hunting. Whether this is your first safari or another chapter in a lifetime of hunting adventures, you will experience world-class hospitality, breathtaking landscapes, and the excitement of pursuing some of Africa's most coveted trophy animals.

Why Choose the Prestige Safari?

Because true trophy hunting cannot be rushed.

With fourteen full hunting days, our philosophy is simple:

Quality over Quantity. Patience over Pressure. Excellence without Compromise.

At Across Africa Tours & Safaris, we don't measure success by the number of animals harvested-we measure it by the quality of the trophies you take home and the unforgettable memories you create in Africa.
