Experience Two African Adventures in One Unforgettable Journey

Across Africa Tours & Safaris proudly presents one of South Africa's most exciting all-inclusive safari experiences, combining the breathtaking beauty of the world-famous Kruger National Park with seven unforgettable days of professionally guided plains game hunting.

From the moment you arrive in South Africa, every detail is taken care of by our experienced team. After being personally welcomed at Johannesburg's OR Tambo International Airport, you'll enjoy an overnight stay at the renowned Afton Safari Lodge before flying the following morning to the heart of the African wilderness at Skukuza in Kruger National Park.

Spend two incredible nights exploring one of the world's greatest wildlife destinations. Enjoy professionally guided Big Five game drives, luxury accommodation, outstanding cuisine, and unforgettable encounters with elephants, lions, leopards, buffalo, rhino, giraffe, zebra, and countless other African wildlife species.

After your Kruger experience, you'll travel to our exclusive private hunting concession, where your Professional Hunter will guide you through seven full days of exciting 1x1 hunting in some of South Africa's finest hunting areas. Whether you're an experienced hunter or planning your first African safari, our dedicated team will ensure a safe, ethical, and truly memorable hunting experience.

Included Trophy Package

Your safari includes four of Africa's most iconic plains game species:

Kudu - The King of the Bush

Gemsbok (Oryx) - The Pride of the African Plains

Impala - One of Africa's most elegant antelope

Warthog - A classic and unforgettable African trophy

For added flexibility, any of these animals may be exchanged for another available species by applying the value of the included trophy fee toward your preferred trophy. Should your chosen animal have a higher trophy fee, you simply pay the difference.

Throughout your stay you'll enjoy luxury accommodation, exceptional African hospitality, delicious home-cooked meals, daily laundry service, experienced Professional Hunters, trackers, skinners, and comfortable hunting vehicles designed to make your safari as enjoyable as possible.
